CAVENDISH FARMS IS COMMITTED TO SUSTAINABILITY

Cavendish Farms is committed to sustainability and local partnerships. We are the first potato producer to convert waste into bio-methane gas with our state-of-the-art Bio Fuel Facility. This investment in our environment has significantly reduced our environmental impact. Cavendish Farms also works closely with local farmers to ensure a sustainable supply of high quality, locally-grown potatoes.

Contact **Jeanette Erickson**, our school specialist, to find out which of our Cavendish Farms potatoes are best suited to your needs.
